

Parents!! Relatives!!

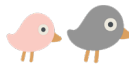

We want to know what you think!

The Texas Supreme Court's
Children's Commission

← (that's us!)

is doing a study of

lawyers for parents & for children

who are involved with CPS.

We want to know what experiences parents and relatives had with lawyers assigned to their case.

If you are a **PARENT** of a child in CPS, or a **RELATIVE** caring for a child in CPS, there are 2 ways to give feedback:

1. → **Text LAWYER to 33222 to get a link to the survey.**

*Standard message / data rates apply.

or 2. **Scan this code with your phone to access the survey:**

The surveys are completely voluntary and anonymous but your input will help us understand how to improve legal representation for families involved with CPS.
