

LawBox App Set Up Instructions (Updated May 2022)

A number of Children's Commission materials are available for mobile or tablet device by downloading the LawBox App. Materials featured on LawBox are searchable and linked to applicable statutes.

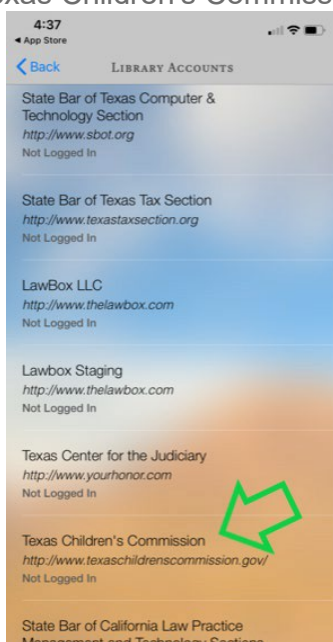

Currently, for **iOS devices** (iPhone/iPad), the LawBox version can be best viewed using Safari rather than the app. To view the complete document in Safari, visit pctoolkit.texaschildrenscommission.gov. Please check back periodically for updates.

For **Android devices**, please ensure you have the latest version of the app downloaded from Google Play (2.1.4).

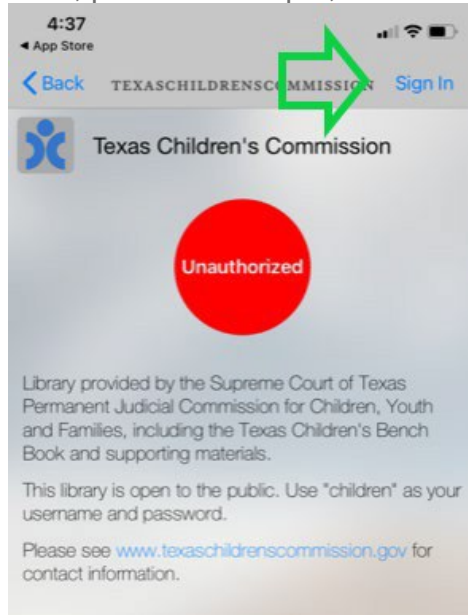

1. From your smart device, locate the LawBox app in the App Store and open the app to access the materials:

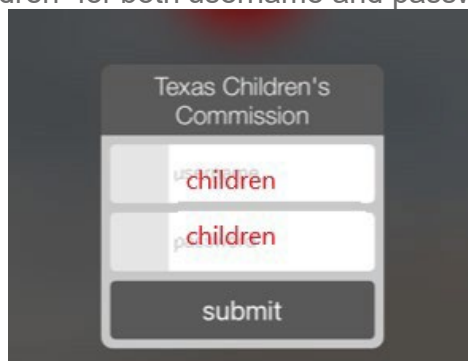

2. Select "Texas Children's Commission" from the list:

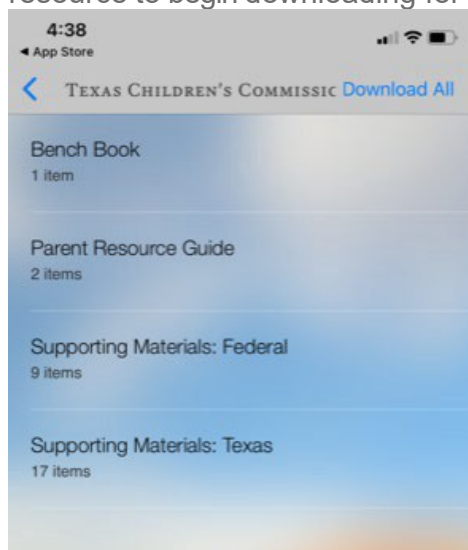

3. **Android users**, proceed to step 4; **iOS users**, click Sign In:

4. Input "children" for both username and password.

5. Select the resource to begin downloading for access to the LawBox app.

6. Once the download is complete, it may be necessary to close the app completely, then re-open the LawBox app to access the material.
